Mrs. Leitner  
Team TB

## Policies

- Phones/devices **MUST** be kept in pocket organizer when in classroom
- See bin for absent work
- Evidence of marking period learning should be kept in binder until grade verification (or end of unit)
- Be in your seat when the bell rings

## Homework due to an Absence

1. Assignments can be made up within the same number of days that you were absent for full credit.
2. Check the “**Class Calendar**” on my website & check the absent bin in the classroom for missing work.
3. **It is the student’s responsibility** to get any work missed. Know the abbreviations NHI (Not Handed In) and DNC (Did Not Complete). Try to avoid these.

# World History 7

2018-2019

This year we will be studying the ancient world and geography with a focus on historical thinking. Students will learn about...

- Early humans as hunter-gatherers
- The migration and settlement of people
- The emergence of pastoral and agrarian societies
- The rise and fall of powerful empires
- world religions
- Trade and the diffusion of ideas and cultures.

- 7<sup>th</sup> Grade social studies is very **PROJECT-ORIENTED**.
- Homework, including reading, worksheets, or mini-projects, will be given on a regular basis.
- Larger assignments will be interspersed throughout the year and given a longer period of time for completion.
- Traditional **Tests/quizzes** will cover articles, book work, class notes and movie notes. We will review together, but it **will be necessary to study** at home. You will need to plan accordingly.
- Always check the agenda each day and copy into your planner immediately. At home, check the **Class Calendar** on my website to help you stay on track.
- We use a wide variety of supplementary resource materials. With our focus on the **entire world**, students will use these materials and will not receive their own copy of a textbook.
