How Barbaric Were the Barbarians?

Step 1: Write a thesis in response to this question BEFORE you read any of the sources.

Step 2: Read the documents SLOWLY and CAREFULLY with your table group. As you read, take notes on any information that you feel supports EITHER side of the issue. Some documents may only have information for one side, while others may have information supporting both. (Use additional paper if you need it)

Examples of what you could note: direct quotes, data and numbers, paraphrases, summary of entire document
